New York, New York 10017

Dear George:

Will you please obtain a copy of the file history on
U. S. Patent No. 3,324,862.

This patent does seem to be quite pertinent to our
application, your file 582-537. I, therefore, would like
to discuss it with you more in detail very soon, possibly
July 10 or 12 when I hope to be in New York.

Sincerely,

TCH
